Angela's Esthetics

Angela has successfully owned and operated Angela's Esthetics since 1997. Graduating with high honours from Seneca College and continually upgrading her knowledge in the field, she brings to you years of experience and expertise.

Angela's Esthetics offers you a healing side to compliment their existing spa services. They include Healing Touch, Reiki and Reflexology.

Angela is very pleased to be working closely with Dr. David Ellis (Facial Plastic Surgeon) offering laser hair removal, full facial surgery, both non-surgical and surgical procedures specializing in plastic, cosmetic and reconstructive surgery.

Other services available include 'Lunchtime Face Lift' with Botox, Restylane and Perlane. Photo facial rejuvenation, chemical peels and microdermabrasion are also available.

Angela's Esthetics has all of the answers for any of your skin care needs and concerns.
